Community Mental Health Team waiting time

How long has the longest waiter on the routine waiting list to see the community mental health team in East Belfast been waiting?

Previous correspondence advised that the waiting time was approximately 12 months. I would like to know how many people have been waiting for over 12 months?

There are < 5 people waiting over 12 months.

Where numbers are low, we have indicated <5 rather than provide the exact figure. Releasing such small numbers has the potential to make people identifiable and disclosure would constitute a breach of the principles of the General Data Protection Regulation 2018. This information is therefore exempt from release under Section 40(2) of the Freedom of Information Act 2000 – Information Relating to a Third Party.
