

What are you doing to stop the spread of Covid-19?

Wear a face covering

Face coverings should be worn by:

- Any staff member on entering a Trust facility, walking through and within the Trust, and en route to their ward/department, canteen or office
- Any staff member on their way out of any healthcare facility
- Any staff member in their place of work if two metre distancing isn't possible

Wash your hands regularly

Keep your distance

What are you doing to stop the spread of Covid-19?

Wash your hand more often for 20 seconds

Use soap and water or hand sanitiser when you:

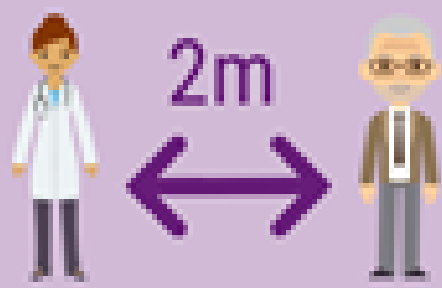

- Get home or into work
- Blow your nose, sneeze or cough
- Eat or handle food

Wash your hands regularly

Keep your distance

What are you doing to stop the spread of Covid-19?

Download the StopCOVID NI app

Using the StopCOVID NI app along with the existing public health measures will help us all stay safe when we meet up, socialise, work or travel.

The app tells you automatically if you've been near someone who tests positive.
