Dear Colleagues

TEMPORARY REINTRODUCTION OF FREE CAR PARKING FOR HSC STAFF

You will recall that funding was secured to allow for free car parking for HSC staff for the period 1 April to 30 June, in recognition of the significant pressures that staff were dealing with during the first Covid-19 surge.

I have now secured further funding to allow for the immediate reintroduction of free parking for HSC staff, until 31 March 2021. Trusts and BSO will take forward the necessary arrangements.

I hope that this provides a small amount of welcome news as you enter into a most challenging time.

I will also take this opportunity to again express my sincere thanks to, appreciation for, and admiration of all health and social care staff working at the front line, and in the crucial support roles. I hope that you and your families remain safe and well, and ask that you take care of yourselves – physically, mentally and emotionally – and each other.

Minister for Health
