

QI Hub – Project Surgeries!

In response to requests for support from teams currently involved in quality improvement (QI) projects but not part of a current QI programme, we are offering a range of short open project surgeries. These surgeries will be facilitated by QI managers and members of the QI Faculty. Teams can book one of three slots on each of the dates listed below by emailing qualityimprovement@belfasttrust.hscni.net and come along to discuss their QI questions. Small teams can join virtually or in person at the QI Hub, Elliott Dynes, RVH. This is the first time that we are offering these open project surgeries so, in the spirit of QI we will test and review as required!

Please book a slot. We would love to discuss your quality improvement project with you!

- Tuesday 6th July 9am-12
- Wednesday 14th July 9am-12
- Tuesday 20th July 2pm-5
- Monday 26th July 2pm-5
- Monday 2nd August 2pm-5
