AONTAS Award Winners: Learner Voice Category "Making Silent Voices Heard"

Belfast Recovery College was recognised for its compassionate service this year by an AONTAS Award 2021. This Award recognised the work of the College in providing mental health and well-being education for the Community of Belfast. AONTAS – All Ireland Education Award had high praise for the College and were so impressed with the passion and dedication shown and commended the on-line classes for students at this time.
