Belfast Trust are Proud to be five years' Smoke Free

Belfast Trust has been Smoke Free for five years across all sites since 9 March 2016! We are celebrating with the launch of this new animation, which we hope you will use and share [View Here](#). We have also refreshed the Smoke Free page on the HUB and updated the Belfast Trust Smoke Free Policy [View Here](#)

The purpose of the Smoke Free Policy is to protect and improve the health and wellbeing of patients, staff and visitors by:

- Assisting patients and staff who wish to stop smoking
- Setting an example of best practice
- Providing a healthy environment.

World Delirium Awareness Day

Delirium is caused by a disturbance of brain function. It is used to describe a state of sudden confusion and changes in a person's behaviour and alertness. It can be frightening for the person experiencing it.

17th March is about recognising delirium, educating people and preventing delirium through community engagement.

Let's talk about **DELIRIUM**.
