23rd April 2021

## Temporary changes to the Mater Hospital's Covid Intensive Care Unit

We have always said that our plan to combat the pandemic needs to be agile and flexible and our staff are the very example of this. Contrary to what was anticipated, we are not experiencing or expecting a significant increase in the number of Covid patients needing ICU in the very near future. From Monday 26 April, our Mater Covid ICU will temporarily stand down. Click the image to read the full details.

### Video Consultations Project Update

**12** 12 Outpatient Services using PAS have now completed initial onboarding

Oncology, Regional Fertility Clinic, Immunology, Haematology, Gynaecology, Dermatology, Cardiology, Endocrinology, Ophthalmology, Neurology, Vascular Surgery & Rheumatology

**Visit the VC Sharepoint for all our resources**

**Got a Video Consultation question?**  
Click the link to submit your questions via Microsoft Forms

Belfast Trust now can now deliver the right care, at the right time, in the right place with the roll-out of Video Consultations.

The ICT department has worked with outpatient services to provide Video Consultations using the Microsoft 365 cloud platform and bookings applications can be made on Microsoft Teams.

You can visit the SharePoint Video Consultations site [here](#).
