How will the policy/proposal be communicated to staff /service users? Describe how the policy/proposal will be rolled out/put into practice e.g. will there be changes in working patterns / changes to how services will be delivered etc.	Background This is an overarching policy, the main aim of which is to provide a framework for the management of environmental and sustainability (incl. Energy) issues throughout the Trust. It will apply to the management of all environmental, sustainability and energy aspects and impacts associated with the day to day activities, products and services of the Trust. Scope This Policy will apply to the management of all environmental, sustainability and energy aspects and impacts associated with the day to day activities, products and services of the Trust. Purpose The main aim of the Policy is to provide a framework for the management of environmental						

and sustainability (incl. Energy) issues throughout the Trust.

Objectives

Management

- To comply with all relevant legislation and other statutory guidance.
- Eliminate, where practicable, or reduce, the direct and indirect pollution to air, water and land.
- Have in place emergency environmental response plans that minimise the probability of occurrence of the impact of an environmental emergency that might lead to an environmental incident or accident

Energy

- Continue to promote the efficient use of energy in an economical and environmentally sound manner by promoting energy conservation and where economically viable investing in energy saving technology and management.

Waste

- Promote waste minimisation and reduce the environmental impact of waste through beneficial use, or where not practicable, by safe disposal.
- Segregate waste as extensively as possible.
- Promote waste treatment through recycling and reuse.

Transport

- Reduce and control direct and indirect environmental impacts from transport related services operated by the Trust.
- Reduce the number of staff and patient journeys.

Land and Biodiversity

- Minimise and control the use of natural resources.
- Protect natural habitats through, where practicable, the efficient use of natural resources.
- Promote environmental and sustainable best practice and visual amenity through the design and location of buildings and structures.
- Maintain and develop the appearance of Trust sites by maintaining the Grounds and

	gardens in an environmentally sound manner. Procurement • Have continued regard for environmental issues and value for money in all centrally purchased goods and services. • Promote the use of products and services of suppliers whose environmental policies are in accordance with that of this Trust. Communication • Provide appropriate training for staff to ensure that they are aware of environmental issues and how they can contribute to the Trust's overall environmental performance. • Engage with stakeholders and consider the impact of the Trust's sustainable development activities on these stakeholders. Dissemination This Policy is required to be implemented by all Service Groups. All Managers, Staff and Departments are required to comply with this Policy as detailed. It will also be made available on the Trust's intranet.

Quantitative Data: For staff data please contact Martin McGrath on 028 95 048353 / martin.mcgrath@belfasttrust.hscni.net

Qualitative Data: Consideration will be given to the different needs, experiences and priorities of each of the categories in relation to the policy / proposal.

Should any equality / modernisation related issues arise they will be managed through the Organisational Change Framework. [Click here for Framework](#)

When organisational / policy change is necessary, regardless of whether it is a permanent or temporary change, the Trust is committed to treating staff fairly and equitably. Staff can be assured that the change process will be managed. This includes consultation with staff and the opportunity for staff to discuss in one to one meetings, any adverse equality impacts resulting in changes to their employment.

This framework also works alongside other Human Resources policies including for example the Disability and Reasonable Adjustment Framework, the Work Life Balance Policy and Procedure, the Recruitment and Selection Policy and Procedure and Agenda for Change Terms and Conditions Handbook.
