27th May 2021

Over People and Culture Week we have launched a range of products all based on feedback from staff.

Everything we do in Belfast Trust is about people and for people and so it is through the building of a compassionate culture, where colleagues are valued that we will be able to create the conditions for the safest, most effective and most compassionate care.

Get involved, think about what People and Culture Priorities mean for you and your colleagues and how we can work together to ensure the Belfast Trust is a just, compassionate and rewarding place to work.

Please include your staff number (not GMC or National Insurance), contact telephone number and availability for 3 weeks (stating AM or PM).

World No Tobacco Day 2021

31 May

The World Health Organization has launched a year-long global campaign for World No Tobacco Day 2021 – “Commit to Quit”. This campaign aims to support 100 million people worldwide in their attempt to give up tobacco.

The Stop Smoking Service stand ready to support patients and staff members to quit for good. If you are a staff member who smokes and would like to quit and receive up to 12 weeks free Nicotine Replacement Therapy (NRT) then get in touch.
