Staff Walking Groups

Would you like to get more active and join a walk(s) around the lesser known Belfast Parks? The Health Improvement Team have organised a number of walks you can join. For more information [click here](#).

Are you ready?

Help us tell you about the encompass programme. When rolled out, encompass will directly impact the working lives of everyone across HSCNI.

encompass, in association with a Proteus Leadership programme team, has launched this survey to determine awareness levels of the encompass programme.

The findings from this survey will help encompass devise more effective communications and engagement activities.

National Audit of End of Life Care

Belfast Trust is participating in The National Audit of Care at the End of Life (NACEL).

The outcomes of the audit will support the ongoing development of care at the end of life within Belfast Trust, as well as hospitals across England, Wales and Northern Ireland.

The survey will measure staff confidence levels in delivering care to dying patients and views on the working culture.

If you care for dying adult patients and those important to them please complete the survey.
