## Staff Experience Survey

We're committed to listening to our staff to better understand what is good about working for Belfast Trust and what needs improving. Megan felt it was important to take part and wants to encourage other staff members to complete the survey.

If you work with us, be sure to look out for posters and emails with details on how you can have your say!

**Are you ready?**

Help us tell you about the encompass programme. When rolled out, encompass will directly impact the working lives of everyone across HSCNI.

encompass, in association with a Proteus Leadership programme team, has launched this survey to determine awareness levels of the encompass programme.

The findings from this survey will help encompass devise more effective communications and engagement activities.
