Covid-19 Vaccination Status of patients admitted to Belfast Trust Hospitals since January 2021

I am writing to you for information under the 'Freedom of Information Act' on how many vaccinated people (Covid) and how many unvaccinated people have been admitted since January 2021.

Belfast Trust are unable to respond, as we do not hold this level of detail regarding individual patients' vaccination status.

The vaccination status of individual patients is not documented consistently in patient records and is not recorded on a central system in the Trust.

The vaccination status of individuals is recorded onto the Regional Vaccine Management System, to which Belfast Trust do not have full access. The Department of Health may be able to assist.
