## **Covid-19 and Pregnant Patients January 2021 to May 2021**

**Please provide the data to cover the following points, for time period 1st January 2021 to the date of your reply:**

**How many pregnant women have been admitted to hospital for treatment for Covid-19?**

Between 1<sup>st</sup> January 2021 and 31<sup>st</sup> May 2021 (the latest timeframe possible due to clinical coding) there have been no pregnant women admitted to Belfast Health and Social Care Trust for the treatment of Covid-19.

**How many of them have been regarded as seriously ill?**

No pregnant women have been admitted to Belfast Health and Social Care Trust for the treatment of Covid-19 between 1<sup>st</sup> January 2021 and 31<sup>st</sup> May 2021 (the latest timeframe possible due to clinical coding); as such, there were no seriously ill patients.

**How many of them have been admitted to ICU for treatment of Covid-19?**

No pregnant women have been admitted to Belfast Health and Social Care Trust for the treatment of Covid-19 between 1<sup>st</sup> January 2021 and 31<sup>st</sup> May 2021 (the latest timeframe possible due to clinical coding); as such, there have been no admissions to ICU.

**How many of them have needed a ventilator?**

No pregnant women have been admitted to Belfast Health and Social Care Trust for the treatment of Covid-19 between 1<sup>st</sup> January 2021 and 31<sup>st</sup> May 2021 (the latest timeframe possible due to clinical coding); as such, there have been no pregnant women requiring a ventilator.

**For the above what is the ratio of vaccinated vs unvaccinated?**

Belfast Trust are unable to respond, as we do not hold this level of detail regarding individual patients' vaccination status. The vaccination status of individual patients is not documented consistently in patient records and is not recorded on a central system in the Trust. The vaccination status of individuals is recorded onto the Regional Vaccine Management System, to which Belfast Trust do not have full access. The Department of Health may be able to assist.
