

5 October 2021

Chief Registrars

FOI Request

I am writing to request information under the Freedom of Information Act. According to the attached file, your organisation was recruiting for a Chief Registrar post in 21/22, as published by the Royal College of Physicians.

Please could you provide the names, job titles and specialities of all Chief Registrars at your organisation that have been appointed to the 21/22 programme.

Trust Response

No Chief Registrars were appointed in Belfast Trust – there were no applicants for 2021/2022.
