**TRIKAFTA TRIAL NCT03525444 CONDUCTED AT THE ROYAL BELFAST  
HOSPITAL FOR SICK CHILDREN**

The request specifically pertains to 'The Royal Belfast Hospital for Sick Children'. Under the Freedom of Information Act 2000, please provide me with all of the following:

- 1 Details of all parties that have contributed funding to the trust in relation to the Trikafta trial NCT03525444 being conducted at your site/s.**
- 2 A list of all sites within your trust that Trikafta trials have been conducted at.**
- 3 Numbers of Trikafta trial participants at each trial location, for the NCT03525444 trial.**
- 4 Number of staff involved in conducting the trial at each trial location, listing their roles, for the trial, NCT03525444**
- 5 What costs were incurred by the trust in order to conduct the Trikafta trial, NCT03525444? If a document does not state the total budget or cost of a trial, but lists the actual or expected costs of any aspect of the trial, it would also be subject to this request. If a document states the yearly budget for a clinical trial, that would be pertinent as well. This includes per-patient costs in conducting the trial. The simplest response would be to provide the cost in GBP of either the budget for the trials or the actual outlays, and both if that is possible.**
- 6 A breakdown of any funding received from internal and external sources in order to conduct the Trikafta trial, NCT03525444. Please break funding down into i) funding from public (governmental) bodies, ii) private entities, and iii) philanthropies/charitable bodies. Please include the full name of the funding body. Please specify amounts in GBP. (Please provide this as an excel spreadsheet)**
- 7 A record of all expenses incurred in conducting the Trikafta trial, NCT03525444.**

**This may include: unit costs of test, fees to central laboratories, investigator fees, data management costs.**

According to Belfast Trust records, this trial only took place within Adult services at Belfast Trust and did not take place within the Royal Belfast Hospital for Sick Children (RBHSC). Therefore, the Trust is unable to provide a response to the questions outlined above, which specifically pertain to RBHSC.
