Private and Overseas Healthcare Information

1. Does your organisation engage with any third-party suppliers that provide software or services which support private or overseas patients' healthcare services – for example advice on private patient strategy, recovery of private patient fees etc., in any of the below areas of work? If yes, please state if the supplier was used to support private patients' services, overseas patients' services or both and fill out the following details in the below table:

Areas of work	Private/ Overseas/ Both	Name of Supplier	Annual Cost 20/21	Framework used to procure supplier	Contract Start date	Contract End date
