## **The current CCIO or lead(s) for encompass receiving benefits - IT product MindGym**

**1 Has the IT/software produce MindGym ever been presented or proposed to the BHSCCT formally or informally for consideration or trial?**

**2, If affirmative, who presented for proposed this IT product?**

MindGym is not an IT Product. There were initial, informal discussions with MindGym in terms of how their product could be deployed on a pro bono basis to support the Trust's work on culture and civility. This was not progressed.

All staff members have a duty to follow the Belfast Health and Social Care's policy on conflicts of interest.
