One Artwork entitled '**Sunlight in the Garden**' was commissioned from artist Diane McCormick in 2019 by the Organ Donation Committee in honour of those who gave the gift of life. This artwork was created to signify the bond between donors and their recipients and as a thank you to donors and their families. This was commissioned from Organ Donation Committee Funds and not directly from Trust funds.

**What is the estimated value of the artworks?**

**How many of the artworks are on public display?**
