Covid-19 Deaths – Service Users with a Learning Disability Living at Home since the start of the Pandemic

Please could you advise me of how many learning disability deaths have been recorded for those with a learning disability who lived at home from the start of the pandemic to date (27 October 2021) and, after the vaccines have been rolled out, how many deaths were recorded?

Belfast Health and Social Care Trust can confirm there have been 86 people with a learning disability who have died between 1 January 2020 and 27 October 2021.

The table below shows the number of deaths recorded in the previous 3 years and April 2021 – November 2021

Distinct Count of Paris Id	LD CARE MANAGEMENT	LD COMMUNITY	LD PSYCHOLOGY COMMUNITY	LD REGIONAL OUTPATIENTS	Grand Total
