Patients in Iveagh Centre

The number of Patients who have resided in Iveagh since it opened in 2010.

See table on next page

I would also like to know the date of admission and date of discharge for each patient.

We are unable to provide you with this information as it has the potential to make people identifiable. It is therefore exempt from release under Section 40(2) of the Freedom of Information Act 2000 which relates to Personal Information pertaining to a Third Person.

I would like to know if the period of time spent in Iveagh by a patient as a delayed discharge/medically fit to discharge.

See table on next page

Finally I would like to know the health trusts that these patients belonged to and where they were discharged to i.e family home, residential care, adult services?

See table on next page
