LGBTQ+ Draft Guidance: Toolkit for all Staff

BHSCT is committed to being an inclusive, respectful and welcoming employer and service provider for anyone from that is part of the LGBTQ+ community – this applies to our staff, patients, service users, carers, visitors and contractors.

Recognising the importance of co-production, we have been working with the LGBTQ+ sector in NI and with Trade Union colleagues on guidance for staff both in terms of best practice in the workplace and in terms of ensuring a more inclusive and welcoming service.

We now wish to seek views about our draft guidance – 'Making Services and the Workplace more Inclusive, Welcoming and Safe for LGBTQ+ People'.

You can read the draft guidance and take the anonymous survey [here](#).
