Safety & quality

"Improving Quality through Innovation"

To mark World Quality Day we are holding an event to show case some innovations in practice across the organisation and how they have enhanced the quality of care we provide for our patients and service users.

World Quality Day takes place on **Wednesday 11 November** and the webinar will run from **9.15am to 12.30pm**.

We have a number of speakers presenting on areas of innovation from the acute and community settings. Full agenda and bios of speakers will be shared nearer the time of the event.

Please join us by completing the online registration form. You will receive a confirmation email with a link to join the event. You can also save the link to your outlook calendar.
