This information is not held by the Trust.

Can I have list of the reasons given why a member of staff decided to leave? What was the most common answer given, and by how many people?

This information is not held centrally and would involve an extensive trawl of staff records. We estimate that compliance with this request for information would exceed the appropriate costs limit. Under Section 12 of the Freedom of Information 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information.
