Covid-19 Hospital Admissions, Vaccination Status and Age Categories

- 1. On 21st December, how many of your current patients were admitted because of Covid?**

On 21 December 2021, Belfast Trust had 37 current inpatients who were Covid positive.

There were no patients admitted to Critical Care because of COVID.

- 2. How many were vaccinated / unvaccinated?**

Belfast Trust are unable to respond, as we do not hold this level of detail regarding individual patients' vaccination status. The vaccination status of individual patients is not documented consistently in patient records and is not recorded on a central system in the Trust. The vaccination status of individuals is recorded onto the Regional Vaccine Management System, to which Belfast Trust do not have full access.

- 3. What age categories are these patients in (by vaccinated / unvaccinated status)?**

As above, Belfast Trust are unable to provide this level of detail.
