Blood Clots

Could you please forward on statistics for the last five years from patients being treated for blood clots. Is it possible to receive this information for every hospital in Northern Ireland

We are only able to provide information in relation to Belfast Health and Social Care Trust. You would need to contact each Trust individually to obtain their statistics.

Year	No. of Patients
2017	2939
2018	2777
2019	2796
2020	2520
2021	2578
