Ketamine infusion	Nil
r-TMS therapy	Nil

For patients receiving electro-convulsive therapy in the past 12 months, how many patients were under treatment for:

Major depressive disorder	120
Other mental health conditions	23

How many patients with Major Depressive Disorder have been treated by your Organisation in the past 12 months?

It is not possible to provide an answer to this question as data is not held in a format that could be located and extracted without effort very much in excess of 18 hours. Under Section 12 of the Freedom of Information Act 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information.
