Subject: Adoption Figures

FOI 27045 pertains to previous request 26843

Question

Can you please also let me know over the past 5 years what was the average length of time it took prospective adopters from starting Stage 1 of the adoption process to get to the Matching Panel?

Answer

We have calculated, using a period of 5 years (April 2017 to March 2022) that the average length of time from Stage 1 to match panel is 1 year 11 months.
