## **Status of Contract for New Belfast Children's Hospital which Appeared Online in 2020**

I am enquiring about the status of the new Belfast Children's hospital, for which a contract notice appeared online in 2020.

It looks like this procurement may have been cancelled. Would you be able to let us know what might be happening with this project, if it has been shelved or if it may be revived again soon?

Belfast Trust can advise that the Tender process is now closed for the New Belfast Children's Hospital.
