### **Request and Response**

**1. *What projects does your organization provide for the Irish Traveller community?***

All Trust services are accessible to Irish Travellers.

The Trust currently commissions 4 projects specifically for the Irish Traveller community. These are projects are delivered by:

**2. *How many Irish travellers attend those projects, From 2019 onwards.***

We contract projects to deliver sessions and monitoring contracts on a sessional basis, and therefore individual attendances are not recorded by BHSCT.
