## **Use of Belfast Trust Property at Kirkliston Drive**

**Belfast Trust owns 4 Kirkliston Drive. Number 4 has been vacant for around 6/7 years. I want to find out what purpose the Trust intends using the property for. Works have recently commenced to bring the property up to standard for habitation. Estate managers attending a meeting with owners of two neighbouring properties claimed they didn't know what the property is being used for. Given the proximity of number 4 to neighbouring properties, please advise for what purpose the Trust intends to use the property.**

The property at 4 Kirkliston Drive is undergoing minor refurbishment in preparation for domestic/residential use.
