Under 18s who have contacted the Gender Identity Clinic

Request

I would like to put in a request for information under the Freedom of Information Act 2000. How many under 18s have contacted the Gender Identity Clinic to access transgender healthcare services in the last 5 years, broken down by year and broken down by Trust area.

Response

We are unable to provide an exact figure where numbers are very low. To provide this level of information would reduce numbers to discoverable limits where the patients could be identifiable.

This is exempt from release under section 40(2) Personal Information relating to a third party, of the FOI Act.
