Belfast Trust Sustainability Plans

1. Do you have a current sustainability Plan?

The Trust's previous plan has now expired, the Trust are in the final stages of updating and revising the plan in line with changes in governmental legislation.

2. Do you have a net zero carbon plan?

No

3. Could you provide the name and contact details of your sustainability manager?

George McCracken: george.mccracken@belfasttrust.hscni.net

4. Do you currently have a Cycle to Work Scheme?

Yes

5. Do you operate electric pool cars?

The Transport Department operates a number of electric vehicles within the fleet. However, Transport colleagues have recently secured funding to enhance the number of electric vehicles and this includes establishing a pool of electric vehicles for use in the delivery of health and social care services.

6. Do you need an external help to produce a Green Sustainability Plan or a Net Zero Carbon Strategy?

Not at this stage
