## Prosthetic (Artificial Limb) Service Data

Please ask the managers of your Artificial Limb Service in your Trust for this data, which they should easily be able to extract from their databases.

1. Do they have access to an Occupational Therapist with skills to teach an amputee how to use a myoelectric hand?

Yes

2. How many amputees do they have, who have consistently used a single axis myoelectric hand for the past 12 months?

8

3. How many unilateral below knee amputees, classified as A2 level mobility, born before 1/10/2004, have attended the clinic or had a job done after 1/10/2020?

259

4. How many unilateral above or through knee amputees, classified as A2 level mobility, born before 1/10/2004, have attended the clinic or had a job done after 1/10/2020?

116

5. How many unilateral above or through knee amputees, classified as A2 level mobility, born after 1/10/2004, have attended the clinic or had a job done after 1/10/2020?

<5

**Use of < 5 (less than five):** We are unable to provide an exact figure - exempt from release under Section 40(2) of the Freedom of Information Act - as this could make patients personally identifiable. Disclosure would constitute a breach of the principles of the General Data Protection Regulation 2018.
