Overall Vacancies in the Trust

In your Trust:

**1) What was the overall figure for vacancies in the trust for September 2022?
What was the figure for Sept 2021?**

**2) Can these figures be broken down into job title and department/service
please?**

Please see attached excel spreadsheet.

I would advise you that we currently provide figures on vacancies to the Department of Health on a quarterly basis. These are published and can be found here: [Health workforce - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/collections/health-workforce)
