Please can you also provide the number of hours supplied by each agency for Band 5 nursing staff?

We would not be able to provide the number of hours supplied by each agency for Band 5 nursing staff as this, together with spend, would provide the rate per agency, which would be commercial in confidence.

In accordance with the Freedom of Information Act 2000, we cannot fulfill this part of your request under Section 43 Commercial Interests. The arguments to maintain this exemption outweigh the arguments for disclosure. Its disclosure would be prejudicial to the commercial interest of the providers.
