Survey maternity service provision for survivors of sexual violence and or sexual abuse

Request

I am undertaking a FOI request across all UK NHS Hospital Trust/ Health Boards, with the aim of creating a picture of the maternity service provision for survivors of sexual violence and/or sexual abuse.

I would be very grateful if you could complete this survey on behalf of your NHS organisation. Please include information about community services, in addition to acute services. This is the electronic link: [Microsoft Forms](#)

Some of the information may need to be collected from specific midwives or obstetricians within your organisation. In case it is helpful I have also attached a WORD doc version of the electronic form.

I also include a few questions about staff training and resources in relation to your whole organisation so that a broad comparison between maternity and other departments within your organisation can be made.

Response
