### **Enquiry:**

In order to be fully engaged in discussions with Connected Health in the administration of their Contract with Belfast Health and Social Care Trust, I would be grateful if you could forward a copy of the contract.

### **Trust response:**

Please find attached copy of the regional domiciliary care contract which the Trust has in place with domiciliary care providers including Connected Health. The attached contract was last issued in full to Connected Health in 2014/15, has been extended for each financial year and remains extant.
