Information issued to staff relating to pay and no financial detriment due to Covid 19

I am writing to request a copy of all information issued by the Trust to staff relating to pay and no financial detriment due to Covid 19.

During the Covid 19 pandemic, frequently asked questions (FAQS) were developed regionally and in consultation with regional Trade Union Colleagues, to help inform staff on a range of issues throughout the pandemic including pay and financial detriment. This information is hosted on the Public Health website and is available at the following link: [Questions and answers for HSC staff | HSC Public Health Agency \(hscni.net\)](https://www.hscni.net/faq) . The FAQs were refreshed and updated throughout the pandemic to provide staff with up to date and relevant information as guidance changed throughout the course of the pandemic.

Belfast Trust would have directed staff to this website via our internal HR Notice (internal email alert sent to all staff) on a regular basis including when there was an update or new information provided on the FAQs.
