Contact Details for Procurement Managers regarding Nursing Agency Frameworks

**I am writing to hopefully obtain the names/contact details for the
Procurement Managers in relation to agency frameworks, contracts
and looking to supply into Trusts**

The Procurement and Logistics Service (PaLS) of the Business Services Organisation (BSO) is responsible for managing the procurement of the Agency Worker Frameworks, on behalf of the Health and Social Care (HSC) Trusts in Northern Ireland. It is PaLS responsibility to put in place Frameworks that will meet the needs of the client organisations, i.e. the HSC Trusts.

Specific queries relating to the Nursing Framework should be directed to PaLS at Email: boucher.sourcing@hscni.net

The contract is monitored by PaLS.

When contacting PaLS your enquiry would need to be specific in relation to timeframes, given that a new HSC Regional Nurse Agency Framework has recently been implemented and there has been a change in rates etc.
