Gynaecology Outpatients Department

I would to find out the names of the staff working at the Gynaecology outpatients at the mater hospital department on the 10th of May 2022.

It is the protocol of Belfast Trust to make public names of employees of a senior standing – Band 8A and above. Those who fall below that band are exempt and so their names have been withheld in accordance with Section 40 (2) of the Freedom of Information Act: Personal information relating to a third party. The Service Manager for this area is Mr P McCarthy.

And could you also tell me how many emergencies that the gynaecology outpatients at the mater dealt with that day.

Gynaecology outpatients does not have any unscheduled emergencies attending its department. There is a Rapid Access Gynaecology Clinic on Royal Victoria Hospital site where emergency gynaecology patients attending Emergency Department can be referred.
