**Portable Suction Units**

Please see the attached document detailing information regarding Portable Suction Devices. Given the number of portable suction devices it will not be possible to provide year of purchase within the 18 hour time frame. We have provided what information we can within the 18 hour limit.

We have applied Section 12 of the Freedom of Information Act to Question 3 of this request. The application of Section 12 has been applied as it is the extraction of the information which will incur a disproportionate cost. The information you have requested is not centrally held and would require considerable interrogation of the data in order to extract the information request.

Section 12 of the Freedom of Information Act makes provision for public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit.

The person to contact regarding this information is Procurement and Logistics Services (PaLs) within Business Services Organisation (BSO). They can be contacted at 02895361328. BSO's FOI team can be contacted at [foi.bso@hscni.net](mailto:foi.bso@hscni.net).
