## **Spend relating to Asbestos**

**Under FOI legislation please tell me how much your health trust has spent on the removal and management of asbestos in healthcare setting buildings between 2019 and 2023.**

We have spent in the region of £3.8M in the management and remediation of asbestos across the Trust in the time period.

**Please also tell me how many cases have been identified of asbestos exposure to an individual from within a healthcare building in your health trust during the same time period.**

There have been no cases identified of asbestos exposure to an individual within a healthcare building in this Trust during the time period.

**Finally can you also tell me how much your health trust has paid out between 2019 and 2023 in compensation as a result of asbestos exposure in buildings within your health trust?**

We have paid out £51,285.00.
