Re: Annual Screening Sensitivity Rate for all Abnormalities for each Cervical Cytology Screener

- 1. As per data held in the Cyres system, could I receive the overall annual screening sensitivity rate for all abnormalities for each cervical cytology screener in the lab from 2013 - 2023? Please could you supply an annual breakdown?**
- 2. As per data held in the Cyres system, could I receive the overall annual screening sensitivity rate for high-grade abnormalities for each cervical cytology screener in the lab from 2013 - 2023? Please could you supply an annual breakdown?**

We can confirm that the information to respond to these questions is held regionally by the Public Health Agency (PHA) and should be sourced directly from them - Email: foi.pha@hscni.net.

The information requested, particularly on a small scale at Trust level, would represent personal performance data relating to individuals. We are not able to provide personal information under the Freedom of Information Act. This information is subject to Section 40(2) of the Freedom of Information Act 2000 – Personal information relating to a third party. This is deemed to be personal information about another individual and disclosure would breach one or more of the principles of the Data Protection Act.
