Safeguarding Policy for Children and Young People in Care in terms of Internet Sexual Crime

Under Freedom of Information legislation, please provide a copy of or link to the policy for safeguarding / monitoring of children and young people residing in care facilities in terms of internet sexual crime

Belfast Health and Social Care Trust do not have any specific policies in relation to this issue.

However, the Safeguarding Board for Northern Ireland (SBNI), which has responsibility for Policy and Procedures relating to child protection, has a wealth of information relating to online safety. All these are applicable to children in care.

Please find link below giving access to this area for policy, procedures, practice guidance and educational tools.
