Mental Health Services - Schizophrenia and Other Non-Mood Disorders

1(a) In the last 12 months (of data), in total how many patients with Schizophrenia and other non-mood disorders (F20-F29 inclusive) were managed by your Trust.

1(b) In the last 12 months (of data), in total how many patients diagnosed Schizophrenia (F20 only) were managed by your Trust.

Please also consider the following questions for patients with Schizophrenia and other non-mood disorders (F20- F29 inclusive).

2(a) In the last 12 months (of data), how many patients with Schizophrenia and other non-mood disorders have been treated within each of the following services:

- **Early Intervention Psychosis service team**
- **Community Mental Health Team**

2(b) In the last 3 months (of data), how many patients with Schizophrenia had no change to the antipsychotic medication within each of the following services. This includes patients with no change in dose.

- **Early Intervention Psychosis service team**
- **Community Mental Health Team**

3(a) In the last 12 months (of data), how many patients with Schizophrenia and other non-mood disorders were discharged to primary care from each of the following services.

- **Early Intervention Psychosis service team**
- **Community Mental Health Team**

3(b) In the last 12 months (of data), how many patients with Schizophrenia and other non-mood disorders were discharged from the Early Intervention Psychosis service team to the Community Mental Health Team

Unfortunately, Belfast Health and Social Care Trust cannot provide this information as our Mental Health Service's data collection will not lend itself to the specifics of this request.

To guarantee full accuracy the correct ICD codes and/or diagnostic descriptors would have to be discoverable and this cannot be guaranteed.
