Microbiology and Virology Data

Please could you kindly complete the spreadsheet attached to provide information on the microbiology, virology and molecular tests carried out within the Pathology Laboratory at the Trust over the previous 2 calendar years (April 2023 - March 2025).

All questions relate to microbiology and virology molecular tests and traditional microbiology testing only, please do not include details for any other disciplines unless otherwise stated.

Please complete all questions where possible – if precise data is unavailable, please provide an estimate (stating that data is an estimate plus likely error margin expressed as a percentage).

If unable to complete all questions, please provide a partial response (just completing the data that you can)

Please see the attached spreadsheet with the information requested.
