

02 June 2025

## **Mental Health Care Plans**

**Please provide the following information for the time period between 1st January 2019 (or the date of inception for your trust) and 5th May 2025, inclusive.**

- 1. Please send me a copy of any documents outlining guidelines or codes of conduct regarding mental health care plans which have been used or disseminated within the Trust. This should include any materials relating to NICE, CPA Policy, and 'Triangle of Care'.**

Unfortunately we do not hold a central repository of materials disseminated within the Trust, this would require manual trawl of individual emails and would require in excess of 18 hours input. Furthermore CPA policy relates to English Care Programme approach which does not apply in Northern Ireland.

- 2. Please send me a copy of any documents outlining guidelines or codes of conduct regarding care coordinators which have been used or disseminated within the Trust. This should include any materials relating to NICE and 'Triangle of Care'.**

As above CPA policy relates to English Care Programme approach which does not apply in Northern Ireland. We understand that care co-ordinator is possibly a term / role referenced in this policy.

- 3. Please send me copies of all Serious and Untoward Incident Review documents which relate to the treatment of mental health patients within your trust.**

It is not possible to send copies of all serious and untoward incident review documents as due to number and the level of confidential information the documents would require significant redacting and this would be far in excess of 18 hours which would be reasonable.

**02 June 2025**

To undertake this exercise would necessitate a manual trawl of emails which involve in excess of 18 hours input. This would exceed the costs limit specified in the FOI act.

We estimate that compliance with this request for information would exceed the appropriate costs limit. Under Section 12 of the Freedom of Information 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information.

The Trust is not required to comply with the request.
