**ADHD Figures for the past 10 years on Boys and Girls
By the Belfast Trust (cumulative and broken down
year by year):**

- 1. How many girls have been diagnosed with ADHD**
- 2. How many boys have been diagnosed with inattentive type ADHD?**
- 3. How many girls have been diagnosed with inattentive type ADHD?**

We are not able to provide this information as the diagnosis was not recorded on PARIS. Going forward we will be in a position to provide this info as there is the facility to record on EPIC.
