**Under the FOI Act, can you please send me copies of all minutes of meetings, or correspondence, between the ‘Gender Identity Review Group’, ‘Gender Identity Liaison Group’, or ‘Gender Identity Service – Pathway Review Group’, and the Belfast HSC Trust?**

I’m afraid the exact title of the group / groups is unclear to me as it has been reported variously in the press. It may be that only one of the above titles is correct, in which case you can thus limit the search. My understanding is that the group was established in 2019, though if that is too large a time period (for cost reasons) please instead limit the request to the last three years.

The Belfast Trust are unable to share requested information as we are not the information owners of the meeting minutes requested. Colleagues within the Strategic Performance and Planning Group have hosted The Gender Identity Review Group meetings and taken any meeting minutes and therefore it is their information to share.
