Learning Disability and Residential Care

- 1. How many adults with a Learning Disability currently live in a Residential Care Home?**

134 in a combination of commissioned and statutory*.

- 2. How many adults with a Learning Disability currently live in a facility where the category of care is Residential (as registered with RQIA)?**

134 same as above.

- 3. How much money are Residential Care Home residents supposed to retain per week (allowance) after the Residential Care costs have been made or charged?**

Current personal allowance is £30.65 and they will retain their mobility component of their PIP, if they are entitled to it.

- 4. What is the weekly allowance money to be used for?**

This is for personal spending.

- 5. How many adults with a Learning Disability were admitted to a Residential Care Home after discharge from Muckamore Abbey Hospital from 2018 to present day?**

11

*NB : Statutory refers to Belfast Health and Social Care Trust run facilities.
